**COUNTRY CLUB VILLAGE METROPOLITAN DISTRICT
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized on November 9, 2005, to provide construction and financing for streets, traffic and safety controls, water and sanitation, drainage and park and recreation facilities and improvements, and operation and maintenance of the District. The District's service area is located entirely within the boundaries of the City of Westminster, Adams County, Colorado.

District voters approved authorization to increase property taxes up to \$100,000 annually, as necessary, to pay for the operations and maintenance expenditures of the District. Debt authorization was approved in the amount of \$43,000,000 (of which \$7,000,000 is for debt refunding) for the above listed facilities. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution or any other law.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes, collected by the District.

**COUNTRY CLUB VILLAGE METROPOLITAN DISTRICT
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues – (continued)

Net Investment Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 1.5%.

Expenditures

Administrative and Operating Expenditures

Administrative and operating expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance, landscaping and meeting expenditures.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Debt Service

Debt service payments are provided based on the debt amortization schedule for the 2020 General Obligation Limited Tax Refunding Bonds (discussed under Debt and Leases).

Debt and Leases

The District issued \$2,950,000 General Obligation Limited Tax Refunding Bonds, Series 2014, on December 10, 2014, with an interest rate of 3.78%. Interest is payable semiannually on June 1 and December 1, and principal payable annually on December 1. There is no reserve or surplus requirement on the bonds. The bonds are subject to optional redemption at any date prior to December 1, 2024, with a redemption premium of 2.00%, and thereafter without premium.

The Bonds are limited tax general obligations of the District secured by and payable from the Pledged Revenue consisting of the moneys derived by the District from the following sources, net of any costs of collection: (a) the Required Mill Levy; (b) the portion of the Specific Ownership Tax which is collected as a result of the imposition of the Required Mill Levy; and (c) any other legally available monies of the District credited to the Bond Fund. The District has covenanted to levy an ad valorem mill levy upon all taxable property of the District in an amount sufficient to pay the principle of and interest on the Bonds as the same become due and payable, but in amount not in excess of 50 mills in any calendar year (subject to adjustment for changes occurring after the issuance of the Bonds in the method of calculating assessed valuation).

The Series 2014 Bonds were refunded with the reissuance of the Series 2020 Bonds.

The District issued the 2020 Bonds on August 7, 2020, in the par amount of \$2,475,000. Proceeds from the sale of the 2020 Bonds were used to: (a) refinance the District's General Obligation Limited Tax Refunding Bonds, Series 2014 (the 2014 Bonds) at a lower interest rate to eliminate the balloon payment for the 2014 Bonds that would have been due December 1, 2029, and (b) pay costs of issuance of the 2020 Bonds.

2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases – (continued)

The 2020 Bonds bear interest at 3.180% per annum and are payable semiannually on June 1 and December 1 (each an Interest Payment Date), beginning on December 1, 2020. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2020. The 2020 Bonds mature on December 1, 2035.

The Bond Resolution requires that the District impose a Required Mill Levy upon all taxable property of the District each year in an amount sufficient to pay the principal of, premium if any, and interest on the 2020 Bonds as the same become due and payable, but not in excess of 50 mills (subject to adjustment for changes in the method of calculating assessed valuation after February 13, 2006).

The 2020 Bonds are subject to redemption prior to maturity, at the option of the District, on December 1, 2027, and on any Interest Payment Date thereafter, upon payment of par, accrued interest, and a redemption premium of a percentage of the principal amount so redeemed, as follows:

<u>Date of Redemption</u>	<u>Redemption Premium</u>
December 1, 2027 and June 1, 2028	3.00%
December 1, 2028 and June 1, 2029	2.00

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%. Adjustment to the mill levy cap is not anticipated due to the commercial nature of the District.

The District has no operating or capital leases.
